CENTENARY PARK WELCOMES NEW MEMBERS

New members are always welcomed. We have a very active membership who is keen to share the wonderful opportunities the Club and the Golf Course have to offer.

The club is a private club situated on the Frankston Council Golf Course and operating in conjunction with the Council contracted Pro Shop.

The course is a challenging 6197m par 73 for the Men and 5458 par 74 for the Ladies, with excellent fairways, many of them newly planted with Santa Anna grass.

Those who remember the course from some years ago would be greatly impressed with all the drainage work, new pathways, and grass planting programs that have really improved the course to a very high standard. The Course also now boasts top class practice facilities, including a driving range

OUR HISTORY

The Centenary Park Golf Club has a long history in Frankston, being originally formed as the "Frankston Municipal Golf Club" in 1938 and situated in Yuille Street Frankston on land, which is now part of the Frankston Hospital and Pentland Gardens.

In 1974 the Frankston Council decided to relocate the course to its current location. The club was renamed Centenary Park Golf Club in 1986.

The Club is affiliated with the Victorian Golf League (VGL) and the Women's Golf Victoria (WGV) and competes in a number of regional and pennant competitions.
