Our VGL Men's Pennant teams are open to Scratch and Handicap players competing on Sundays during the months of March and May. Men's Seniors play on Thursday's commencing February.

The Club

We are a private golf club playing at Centenary Park Golf Course in Frankston North. The Club is a not for profit incorporated association and operates out of Clubrooms located adjacent to the golf course car park.

The Club is affiliated with Golf Australia and Victorian Golf League (VGL) for the purpose of obtaining and maintaining Golf Australia playing handicaps. Our women members being affiliated with Golf Australia and the VGL, gives them access to play on many metropolitan golf courses.

The Course

Centenary Park Golf Course is a public access course, managed by Club Links (Pro-Shop) and maintained by the Frankston City Council. The 18-holes can be quite a challenge with the course length of 6,018m par 72 for men and 5,460m par 73 for women. The undulating treed lined fairways, bunkers around several greens and water hazards add to the challenge. The golf course has ongoing improvements and maintenance to enable players to enjoy golf all year round.

Our History

Centenary Park Golf club has a long history in Frankston having commenced in 1938 as the Frankston Municipal Golf Club at the 9-hole Frankston Municipal Golf Course that was on land now occupied by George Pentland Botanic Gardens and Frankston City Bowls Club.

The Club moved to Centenary Park in 1974 when Frankston Council decided to provide its ratepayers with an 18-hole public Golf Course on Crown Land in McClelland Drive. The Club was renamed Centenary Park Golf Club in 1986 in recognition of its location.

Social Club

Our club has several functions throughout the year to ensure all members get to meet each other in the relaxed and friendly surroundings of our club house.

We all would like to welcome you to our friendly club and look forward to playing a round of golf with you very soon.
